

LITTLE NINJAS

Pre-school Program

Okay, our instructors are not really kicking cats, but they are really good with pre-school age children.

Our special Little Ninjas program is specifically designed to help teach 4 to 5-year olds the important qualities of respect, self-control, focus and confidence— all wrapped in games, challenges and fun. Plus, they'll learn great motor skills and coordination.

Our new program starts soon, so call or register NOW!
Uniforms available for purchase but not required.
